Aug 13, 2025

Thomas O'Marra

has successfully completed the online, non-credit Specialization

Product Ideation, Design, and Management

In this Specialization, learners developed the skills for designing and managing products from discovery to delivery.

Dr. James V. Green,
Managing Director of
Learning and
Development for the
Maryland Technology
Enterprise Institute at
the University of
Maryland

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
